ПРОГРАММА.

Священная роща на вершинѣ Синей горы . Лунная ночь. Тишина прерывается трубными звуками, созывающими латышскій народъ на поклоненіе богамъ. Народъ, поклонившись Перкону и Потримпу, окружаетъ жертвенникъ Лиго, бога любви и обилія . Послѣ жертвоприношенія начинается веселье, игры и пляски чередуются пѣснями, прославляющими Лиго. Трубные звуки возвѣщаютъ окончаніе празднества. Ночная тишина вновь царствуетъ надъ священною мѣстностью...

Programme.

Le saint bocage sur la cime du Mont-Bleu au clair de la lune. Le calme de la nuit est interrompu par les sons des trompettes, qui convoquent le peuple lette, pour rendre hommage aux dieux. Le peuple salue Percon et Potrimpe et entoure l'autel de Lihgo, le dieu de l'amour et de l'abondance. Après les sacrifices commencent les réjouissances; le jeu et la danse alternent avec des chansons qui célèbrent Lihgo. Les sons des trompettes annoncent alors la fin de la fête et le calme de la nuit règne de nouveau dans le lieu sacré.
